Who is This Vendor Assessment For?

NelsonHall's Cloud HR Transformation Services profile on Capgemini is a comprehensive assessment of Capgemini offerings and capabilities, designed for:

- Sourcing managers monitoring the capabilities of existing suppliers of Cloud HR Transformation Services and identifying vendor suitability for security services RFPs
- Vendor marketing, sales, and business managers looking to benchmark themselves against their peers
- Financial analysts and investors specializing in the Cloud HR Transformation Services sector.

Key Findings & Highlights

This NelsonHall vendor assessment analyzes Capgemini's offerings and capabilities in Cloud HR Transformation Services.

Capgemini, founded in 1967 and headquartered in Paris, France, is a provider of IT consulting, outsourcing, and professional services. Capgemini services large enterprise clients across the Americas, Europe, and Asia Pacific. Capgemini firstly entered the BPS market in July 2003. It began providing HR BPS services in conjunction with F&A services for two clients in 2006 and began providing HR BPS services internally from Kolkata and Bangalore for its ~140k employees in 2008. In 2010, Capgemini was awarded its first end-to-end multi-country multi-process HR services contract by Syngenta. Capgemini has largely grown its HR services business organically. In 2016, however, it did acquire Fahrenheit 212, a global innovation consultancy, which helps drive growth and strategy across its businesses.

Capgemini has ~27 Cloud HR Transformation Services clients and serves ~750k employees. Today, Capgemini's Employee Services business supports Cloud HR Transformation Services through its three divisions:

- Consulting services: includes HR functional design, process optimization, HR automaton, organizational change management, and employee engagement solutions
- Cloud HR Services: includes application development, system integration and maintenance services of technologies such as SuccessFactors, Workday, Oracle, SAP, ServiceNow, Zendesk, Salesforce and Digital Workplace solutions
- Managed Services: includes outsourced service and delivery covering employee helpdesks and transactions, process enhancements and automation tools, and learning value chains and design. Its services framework is supported by ~3k HR practitioners and ~800 change practitioners.
