 - RPO
 - Learning BPS
 - Benefits Administration

Who is This Vendor Assessment For?

NelsonHall's "Global HRS Market Forecast: 2022-2026" report is a comprehensive market forecast report designed for:

- Sourcing managers monitoring the human resources services (HRS) industry and seeking to identify leading vendors for shortlists and RFPs
- Executives seeking assistance in identifying levels of HRS vendor presence by service line and geography
- Vendor marketing, sales, and business managers looking to identify market sizes and growth rates and their market share relative to their peers
- Financial analysts and investors specializing in the support services sector.

Key Findings & Highlights

The full breakdown of NelsonHall's BPS market forecast and vendor market shares across 81 BPS service lines, 39 geographies, and 39 industry sectors can be obtained via [NelsonHall's Self-Service Forecast Tool](#).

This self-service tool aims to assist executives in accessing the precise combinations of market size, growth, and vendor share information they require rapidly and cost-effectively, supporting more informed decision-making.

In particular, the "[NelsonHall Self-Service Market Forecasting tool](#)" enables executives to tailor the scope of any market forecast or vendor market share download by selecting one or multiple service lines, geographies, and industry sectors and downloading market size, growth, and vendor share information against these parameters. Furthermore, decision-makers are no longer inconvenienced by delays in the manual production of customized reports on their behalf.

The tool now covers not just business process services but has subsequently been expanded to support 13 IT outsourcing service lines, also by geography and industry sector.

Scope of the Report

The report provides a forecast for the global BPS outsourcing market overall and by geography and service line. It covers the following:

- The HRS market size for 2021 and the forecast for the business process services market through 2022 to 2026
- The HRS market sizes and forecasts for North America, specifically covering the U.S. and Canada; EMEA, specifically covering U.K., France, Germany, and Italy; Asia Pacific: and LatAm
- The HRS services market sizes and forecasts by service line
- The HRS market sizes and forecasts by combinations of service line and geography
- Vendor revenue shares for 2020 by service line and geography.

About The Author

Liz Rennie is a Principal Research Analyst with global responsibility for key HR research projects including Cloud-Based HR Transformation, Cloud-Based Benefits Services, and The Future of HR, as part of NelsonHall's wider HR Technology & Services practice.

In this key role, Liz assists both buy-side and vendor organizations in evaluating opportunities and capability to support HR and benefits transformation through deploying cloud-based services and redesigning HR service delivery to leverage the latest technologies offered by mobile, AI, blockchain and robotics.
