Who Is This Vendor Assessment For?

NelsonHall's Next Generation Benefits Administration in North America: vendor assessment for OneSource Virtual (OSV) is a comprehensive assessment of OSV's benefits administration offering and capabilities, designed for:

- Sourcing managers and operations executives investigating developments within the benefits administration market
- Vendor marketing, sales and business managers developing strategies to target service opportunities within the North American benefits administration market
- Financial analysts and investors specializing in the business process and operations transformation services sector.

Key Findings & Highlights

OSV exclusively provides its benefits administration BPaaS services on the Workday platform, either leveraging the client's previously deployed Workday platform or implementing the platform for its clients.

OSV's benefits related services include benefits administration, benefits reconciliation, ACA services, and COBRA administration for organizations using the Workday platform.

Scope of the Report

The report provides a comprehensive and objective analysis of OSV's offerings, capabilities, and market and financial strength, including:

- Revenue summary
- Analysis of the company's benefits administration offerings
- Analysis of the company's customer base including the company's targeting strategy and examples of current contracts
- Identification of the company's strategy, emphasis, and new developments within its technology and services
- Analysis of the company's strengths, challenges, and outlook.
