Who Is This Vendor Assessment For?

NelsonHall's payroll services vendor assessment for OneSource Virtual is a comprehensive assessment of OneSource Virtual's payroll service offering and capabilities, designed for:

- Sourcing managers monitoring the capabilities of existing suppliers of payroll outsourcing and identifying vendor suitability for payroll process outsourcing RFPs
- Vendor marketing, sales, and business managers looking to benchmark themselves against their peers
- Financial analysts and investors specializing in the support services sector
- HR and payroll decision makers.

Key Findings & Highlights

OneSource Virtual is a privately owned U.S. based business, providing BPaaS services exclusively through the Workday platform. Founded in 2008, it has ~769 employees and is headquartered in Dallas, Texas. Services offered to clients include Workday deployment, HR outsourcing, finance and accounting outsourcing, and IT services.

It has ~420 clients, of which ~77% include payroll services. From a payroll perspective, OneSource Virtual processes ~1.5m payslips per month, across ~325 clients; this equates to ~945k employees paid.

Managed payroll services and payroll administrative services represent ~8% and ~67% of its payroll business respectively, with the remaining business generated from settlement services (services include check writing and tax lodgments, treasury management, W2 and T4 printing).
