## Who Is This Vendor Assessment For?

NelsonHall's Multi-country Stock Plan Administration Outsourcing Vendor Assessment for E\*TRADE is a comprehensive assessment of E\*TRADE's stock plan administration outsourcing (SPA BPO) offerings and capabilities designed for:

- Sourcing managers monitoring the capabilities of existing suppliers of recruitment process outsourcing and identifying vendor suitability for SPA BPO RFPs
- Vendor marketing, sales and business managers looking to benchmark themselves against their peers
- Financial analysts and investors specializing in the support services sector

## Key Findings & Highlights

E\*TRADE is a U.S. headquartered software and business process outsourcing (BPO) organization, offering software, BPO, and consulting services for stock plan administrators.

As a result of changing regulations and cost pressures coming out of the global recession enterprises need to change their management of equity compensation plans, especially multi-country plans. Enterprises are looking for help in rebuilding their stock plan administration capabilities to address the current market realities. E\*TRADE is seeing significant demand from global institutions, particularly in countries and regions where costs are high (mature and/or highly regulated markets) or volumes are low (emerging markets).
