Who Is This Vendor Assessment For?

NelsonHall’s transformational CMS case studies on Transcosmos provide examples of its ability to transform a client’s CMS offerings in order to meet the organization’s business needs. The case studies are designed for:

- Sourcing managers monitoring the capabilities of existing suppliers of customer management services (CMS) to serve organizations and identifying vendor suitability for CMS RFPs
- Vendor marketing, sales, and business managers looking to benchmark themselves against their peers
- Financial analysts and investors specializing in the support services sector.

Key Client Examples

Key client examples are Transcosmos’ transformational CMS contracts with a Japanese security software manufacturer and a Japanese securities broker.
