Who Is This Vendor Assessment For?

NelsonHall's Digital Banking Services Vendor Assessment for WNS is a comprehensive assessment of WNS's Next Generation Mortgage and Loan BPS offerings and capabilities designed for:

- Sourcing managers monitoring the capabilities of existing suppliers of capital market process outsourcing and identifying vendor suitability for Mortgage and Loan BPS RFPs
- Vendor marketing, sales and business managers looking to benchmark themselves against their peers
- Financial analysts and investors specializing in the support services sector.

Key Findings & Highlights

This NelsonHall assessment analyzes WNS's offerings and capabilities in Mortgage and Loan BPS. WNS is one of a number of banking operations services companies analyzed in NelsonHall's comprehensive industry analysis programs.

Overview

In 2006, WNS acquired Trinity Partners, a mortgage processing BPS vendor. WNS purchased to pursue the mortgage services business and expand its range of offerings for the banking industry. The focus of the initial BPS offerings was loan administration services. The M&L BPS business grew until the economic downturn. From 2009 to 2011, because of the financial crisis, the mortgage BPS business revenues declined ~50%.

Since 2011, the mortgage BPS business has consistently grown. In 2010, WNS initiated default management services for a leading mortgage servicer and regional bank, both in the U.S. In 2013 to 2014, WNS began delivering services to APAC based banks for document management, credit checks, and analytics. In 2016, WNS began implementing automation services for compliance processes (e.g., credit checks, HMDA compliance, credit appraisals). In 2018, initiated secondary market services for a client with QC services for underwriting and post-closing activities.
